Welcome to the 2010 UPA Indiana High School Ultimate Championships!

The Ultimate Players Association (UPA) is excited to see the fast growth in the sport of Ultimate at the high school level. The youth development programs is looking for more ways that we can grow the sport and give you more opportunities to play, but we couldn't do it without Noblesville Parks and Recreation, Indiana Ultimate Association and you! You are the heart and soul of our organization and we're excited to see you at the state championships.

Be sure to support our sponsor, Discraft, the official disc of the high school championship program. And if you see Al Geisler be sure to thank them for all the hard work they've done to make this event possible!
